

L. H. M. C. Walk to cure Alzheimer' s

Thursday October 6th 2016

5:00pm-6:30pm Right here at L. H. M. C. 4407 124th
St

Chippewa Falls WI

(If raining or to cold we will walk here in the facility)

We raised \$2, 939. 77 this year to help stop
the disease of Alzheimer' s.

This was a team effort not only from staff and
family, but more important our residents. It
is because of them we have decided to walk
here with them.

Please join us for a small meal and walk.

Join us with wearing purple.

Please rsvp to Helen Isenberger if you will be attending this event by Monday
October 3rd
